Research Day 2017- April 6, 2017, Medical College of Wisconsin
Many DEM faculty, staff, residents and students attended the 2017 annual research forum at the Medical College of Wisconsin. At this event, it was announced that moving forward, the annual MCW and UW research forums will combine on March 15, 2018. The combined forum will be held in conjunction with the WACEP meeting at the Edgewater Hotel.

Left: Drs. Hamedani and Shah join the chair and director of research from MCW to participate in the announcement and to take the reins for next year!

Nia Cayenne, undergraduate research assistant, will be presenting her poster for the abstract, “Paramedic-Delivered Care Transitions Coaching for Older Adults Discharged Home from the Emergency Department” at the AcademyHealth annual meeting in New Orleans, LA on June 25, 2017. Her poster was one of the highest rated student posters and is in the running for the Best Student Poster award!

Manish Shah, MD MPH is representing the department at a national level with an important ACEP initiative. The article, “ACEP Accredits Geriatric Emergency Care for Emergency Departments” can be found at: http://www.acepnow.com/article/acep-accredits-geriatric-emergency-care-emergency-departments/

Noah Walters, BS was accepted as a medical student to Albany Medical College. We are sad to see him leave but excited for him to fulfill his dream of being a physician. Congrats Noah!

New Faces

Steven Hesse has joined the EDRE Team. Steven completed his undergrad at the University of Wisconsin-Madison in 2014 with a B.S. in Pharmacology and Toxicology with a certificate in Global Health. He is a current MD/MPH student for the graduating class of 2021. He has completed his MPH coursework this past year, will be working on his Capstone Project this summer, and starting medical school this fall. In addition to working with Dr. Pulia’s research team, he is working this summer as a Research Enroller for various studies in the Emergency Department.
